## EXPERIENCE

### SOFTWARE DEVELOPER

CSU CHICO ENTERPRISE APPS

08/2021 - 12/2021

Worked on backend processes for the school system. Put code into production for degree progress reports and financial aid used by thousands of students. Used API's, Javascript and low code tooling.

### EMBEDDED PROGRAMMER

LEYDEN ENGINEERING LLC.

05/2020 - 07/2020

Hired on contract to write code for embedded systems / IOT Devices. Code I wrote was used on an IOT device that sold hundreds of units. Wrote c++ and Arduino.

### JUNIOR WEB DEVELOPER

DK WEB DESIGN

08/2019 - 04/2020

Coded website templates and maintained websites for small businesses. Learned website development cycles and how to work with designers and sales people.

## EDUCATION

### MS COMPUTER SCIENCE

CSU CHICO COLLEGE  
OF ENGINEERING

FOCUS ON AI & MACHINE LEARNING.  
PROJECTED GRADUATION DATE  
MAY 2023.

### BS BUSINESS FINANCE

CSU CHICO COLLEGE  
OF BUSINESS

FOCUS ON INVESTING & REAL  
ESTATE. GRADUATED MAY OF  
2021.

## PROJECTS

### MB HOMES REALTY

M-BHOMES.COM

Real Estate website for an agent that is currently in use. Leads have come through the site in combination with social media advertising that have resulting in tens of thousands of dollars in commission.

### FIFTH ST HAIR

FIFTHSTREETHAIR.COM

A custom website for a new hair saloon incorporating booking. The site was launched during Covid and helped make the business successful due to the booking feature allowing the hair saloon to still take customers.

### TASKIER - TODO APP

DOWNLOAD TASKIER FROM APP STORE

Simple ToDo Application that is currently on the app store. It was done to showcase that I can create apps and push them into production.

### VISIONHOW APP & WEB DESIGN

VISIONHOW.COM & VISIONHOW ON INSTAGRAM

A small web design firm I manage and run. Have created production project for several businesses. For my UI Design work look up VisionHow on instagram.
